**The Apartment**  
 Entering the property via the front door you find yourself in a generous hallway with doors leading to all accommodation as well as useful storage cupboards. The main reception room is a large, light-filled space with plenty of space for sofas and a dining table. The kitchen is fully fitted with a range of base and eye level units with roll-top work services over and integrated appliances to include fridge, freezer, oven, hob and washing machine. The balcony is accessed from the living room and offers a tranquil space overlooking a central courtyard. Both bedrooms are generous doubles with the master benefiting from an en-suite fitted with a white three piece suite comprising WC, wash-hand basin and shower cubicle. The family bathroom completes the accommodation and is also fitted with a white three piece suite comprising WC, wash-hand basin and bath with shower over.

**Outside**  
 The development is just over 10 years old and has matured wonderfully. Generous communal spaces and grassed areas contribute to the calming and peaceful atmosphere. A secure underground parking space comes with the apartment with the potential to purchase further permits from the management company. The Grand Union Canal runs through the development offering a myriad of country pursuits. The property is situated within easy walking distance of Apsley station which serves London Euston.

**The Location**  
 Nash Mills is so named after the paper mills that used to form the major industry locally. Although the old paper mills have now been replaced by new housing, there are many historical reminders, in particular John Dickinson's main residence, now occupied by Abbots Hill School, and the Apsley Paper Trail. The location is excellent with all amenities close at hand. The canal path gives immediate access to the local Sainsbury supermarket and Apsley Marina; also nearby is the pretty village of Kings Langley, whilst St Albans City and Watford Town centres are both only a short drive away. The countryside is also close at hand via Bunkers Lane, or alternatively there are pleasant walks along the adjacent canal. The Railway Station at Apsley (a short walk away) provides a fast service (30 minutes) to London Euston. Access to the M1 (Junction 8) or the M25 (Junction 20) at Kings Langley are also both accessible within 5 minutes. Heathrow Airport is also easily accessible.
