Main House - Ground Floor

Entering the house you find yourself in a large entrance hall which is flooded with natural light. Stairs rise to the first floor and doors open to the family room and kitchen. The living room is also accessed from here which, in turn, has double doors opening to the dining area. The family room is a well proportioned space with a large window to the front elevation. The kitchen is fitted with a range of base and eye level units with integrated appliances. This room opens to both the dining area and the utility room which, in turn, opens to the downstairs WC.

Main House - First Floor

A large landing provides access to all first floor accommodation which comprises four bedrooms, three of which are generous doubles and the master benefits from an en-suite bathroom fitted with a white four-piece suite. The family bathroom completes the accommodation.

Annexe

Located to the rear of the main house is the annexe building which offers a multitude of potential uses from accommodation for friends/family, an office space for business owners or a studio space, amongst others (please note that certain uses may require a change of use application to be made). The spacious accommodation comprises an entrance hall with doors opening to the living room and downstairs WC as well as stairs rising to the first floor. The living room is a large, square room which opens to the open-plan kitchen diner. This space is fitted with a range of base and eye level units and has sliding patio doors giving access to the gardens.

Summerhouse

At the rear of the garden is a brick-built summerhouse next to a barbecue area. Comprising three rooms - a reception room, kitchenette and shower room this space again offers a great deal of flexibility regarding potential use.

Outside

To the front of the property the block-paved driveway is accessed via a five-bar gate. The large driveway provides ample parking for multiple vehicles. There is a charming feature well to the front of the property with a thatched roof - a truly unique feature of this property. The remainder of the frontage is laid to lawn with mature borders.

To the rear of the property is a patio area, ideal for al-fresco dining, leading to a lawned area as well as a path leading to the annexe. A pretty pond completes this portion of the garden. The majority of the garden is found towards the rear of the plot with a large, secluded lawn surrounded by mature borders. A large decked area under a pergola provides welcome shade in the height of summer. To the very rear of the plot is the summerhouse, a wooden shed and a brick-built barbecue area.
