IF YOU LIVED HERE...

Thanks to its excellent condition and smart finish, you'll be able to relax in your new home from the day you move in. With 462 square feet of internal space, you've got plenty of room to spread out in, so working from home won't be a problem. The open plan living room is bright and spotlessly finished, making it a great spot for socialising as well as unwinding on your own. The kitchen area is sleek and well equipped with glossy units and integrated appliances.

The decor is neutral, creating the perfect blank canvas, and you'll enjoy the contrast of having engineered wood in the living room but soft carpeting in the double bedroom. As for your bathroom, it's surprisingly spacious, with sparkling fittings.

As well as having communal gardens, you're also just a few minutes from the charming Ray Lodge Park, where you can access the River Roding for some lovely waterside walks.

Despite all the rural village-y charm, Woodford has plenty of amenities... Be sure to visit Mojo's Brasserie, a lively brasserie-style restaurant which serves up some excellent brunches.

If you want to head into the West End, Woodford station is a short stroll away for the convenient Central line.

WHAT ELSE?

- Drivers can be on the North Circular in just a few minutes, or the M25 in around 10 mins.
- Despite all the greenery, you'll never be stuck for essentials since there's an abundance of convenience stores nearby, including a Waitrose and M&S in nearby South Woodford.
- How about a stroll towards Highams Park, stopping at the Rose & Crown pub for some tasty grub and a pint served up in a friendly atmosphere? It's one mile away.

A WORD FROM THE OWNER...

"It has been a brilliant first flat for us as a young couple, the perfect place to get on to the property ladder. It is close to the station which has meant easy commutes for us, close to local supermarkets and shops, and means we can easily get in and out of central London, especially being near a station that is serviced by the night tube. Ray Lodge Park is a couple of minutes walk away and is great to go for a run too. It really has been a great place for us as a couple, and we will miss it once we have moved."
