#### A WORD FROM THE OWNER...

"When we first stepped into our flat 6 years ago, we were immediately captivated by the high ceilings and Victorian features. The direct access into our private garden has been a wonderful asset, allowing us to host friends and family with ease. When our daughter was born, the flat's generous size allowed us to adapt and transform the space into a second bedroom/ playroom creating a little haven for her to enjoy.

The walking distance to the tube has been incredibly convenient, making the weekday commute stress-free. On weekends, we have enjoyed leisurely walks in Epping Forest, which is just around the corner.

Living in South Woodford, particularly on Mulberry Way, has been a pleasure. The friendly neighbours have a strong sense of community, making our flat the perfect first home. We will truly miss living here."
