**A WORD FROM THE OWNER...**

"We moved into this house seven years ago and cannot believe it has gone by so fast. From a practical perspective it is a great location for work, commuting, and easily popping out for coffees and brunch whenever the mood strikes. From an emotional perspective we have seen so many incredible milestones pass in this home, we chose it specifically knowing we would start a family here and 2 cats and 1 kid later it has been the perfect place for us to grow. It is solid and cosy and feels a lot bigger than you expect from a little end of terrace house in London. We love having the fire on in the winter and the ability to throw the french doors open when Spring/Summer arrives. It has been a sanctuary for us. We really hope it will be as special for the next person who lives here. "
