IF YOU LIVED HERE...

Stroll up your perfectly picturesque front garden, nicely setting you back from the road and greenery opposite, and you'll have a wealth of social space to stretch out in. Your front lounge alone totals 180 square foot, plushly carpeted in grey with walls pristinely finished in white. A handy cloakroom sits off the hallway, while to the rear your kitchen/diner is more enormous still at 170 square feet.

In here things are artfully zoned by a breakfast bar topped with glossy dark, quartz style counters atop a sleek suite of white cabinets and a gleaming metro tile splashback. A rear wall of oversized patio doors and windows let light flood in and frame your rear garden. Upstairs, you have two substantial double bedrooms plus a generous single, all bright, stylish and sizeable, while your family bathroom features both a rainfall shower and tub.

Outside, and you're enviably nestled between the boundless nature of Roding Valley Park and the Rover Roding on one side, and the open green space of Broadmead Playing Fields just across the

road to your front. Both great spots for morning runs and evening strolls. Whenever you want to venture further afield, Woodford and South Woodford tube stations are both around a twenty minute stroll away, and will whisk you directly to both the City and West End via the speedy Central line.

WHAT ELSE?

- Don't forget your garden, a charming mix of patio and lawn, flanked by timber fencing and ending in that substantial 190 square foot garage. Plenty of room for hobbies as well as parking.
- The local social hub of George Lane, for cafes, bars and restaurants, is just a twenty minute stroll away. Or a five minute drive.
- Your garage leads out to a private lane running along between you and your neighbours' gardens, for the ideal blend of security and simplicity. Drivers can be on the arterial North Circular in barely five minutes.

A WORD FROM THE OWNER...

"We love being surrounded by green spaces, especially with Epping Forest just a short drive away and other parks within walking distance. This is perfect for our little one, who loves exploring. The tube station is a short walk away, making it perfect for travelling into central London for work or pleasure. This house has been a great first home, and we are sad to have outgrown it. We will truly miss our lovely and caring neighbours."
