IF YOU LIVED HERE...

Behind that classic frontage lies a beautifully arranged home with nearly 1,000 square feet of smartly laid-out space. Period features take centre stage here, thoughtfully complemented by immaculate decor throughout.

The reception room is wonderfully bright, with generous windows flooding the space with natural light, drawing attention to the elegant fireplace surround and bespoke built-in cabinetry. The kitchen continues the refined finish, complete with a clever layout, stylish units, and a charming butler sink.

There's a well-proportioned double bedroom on the first floor, boasting impressive in-built storage. Upstairs, you'll find two further bedrooms, both with smart storage solutions, alongside a striking bathroom featuring a clawfoot tub and separate shower.

Outdoors, your own private garden provides a tranquil spot to unwind with a drink – though Epping Forest is just minutes away if

you're after even more green space.

And when it comes to local highlights, you're just 0.2 miles from Jones & Sons, sister to the Dalston favourite, and spoiled for choice with supermarkets including Waitrose and M&S nearby. For commuting, South Woodford station is under a mile away, with Central line trains whisking you to Liverpool Street in just 20 minutes.

WHAT ELSE?

- The area even has its own Odeon cinema, which is less than a ten minute walk away from your home.
- Parents will be pleased to learn there's an abundance of great primary and secondary schools in the area, one of the reasons this area is so popular with families.
- Your new local? How about The George, a short stroll away - offering a warm atmosphere, friendly staff and a great menu.

A WORD FROM THE OWNER...

"We've absolutely loved our time here. Having Epping Forest and lots of parks right on our doorstep has been fantastic for walks, and we've really enjoyed exploring all the great cafes nearby. Getting into London for work is a breeze, and having such excellent schools and nurseries so close by is a huge benefit. It's a wonderful spot, and we know the next owners will enjoy it just as much as we have."
