A WORD FROM THE EXPERT...

"Woodford Green, as its name suggests, has ample open spaces, including village greens, parks and forest land. The area has a number of popular pubs and eateries. For Italian, the superb Bel Sit is known for its authentic family feel and collection of football shirts. Rosso on the Broadway and Mezze on the Green are also really popular Along the High Road are a number of historic 'watering holes' including the Cricketers, Travellers Friend, Rose & Crown and Horse & Well. For local shopping, Woodford Broadway is a good choice, including a lovely new fishmonger called Fatfish. There are plenty of bigger family homes here, including the beautiful Arts and Crafts houses on the Monkhams Estate. Nearby is the charming inter-war Laings Estate with its green verges and pocket parks. For younger couples and families, there are smaller terraced houses and conversions to be snapped up. Woodford Green is an ideal location for people looking for a mixture of town and country life, and a great place to put down family roots."
