#### A WORD FROM THE OWNER...

"We've absolutely loved living here. The location is really convenient to be so close to a Central Line tube station and we've enjoyed the proximity to the forest. The corner shop at the top of the road has saved us on many occasions when we've run out of milk! The neighbours are lovely, and the street in general has been a joy to live in as it is very friendly and peaceful. The house is a good size for a terrace and is ready to move in. The garden gets a great amount of sun and we've made lots of happy memories entertaining. It's given us everything we wanted and we will be sad to leave."
