IF YOU LIVED HERE...

Thanks to its excellent condition and beautiful finish, you'll be able to relax in your new home from the day you move in. With 686 square feet of internal space, you've got plenty of room to spread out in, so hosting guests will never be a problem, and neither will working from home. The dual aspect reception room is bright and spotlessly finished, the gorgeous deep herringbone parquet running throughout. The separate kitchen is sleek and well equipped with stylish units, high spec appliances and glossy metro brick tiling. The 'passe-plat' (aka serving hatch) opens the entire space up, allowing light to flood throughout the living space, and adding a new dimension for anyone entertaining.

The bedrooms are just as immaculately finished as the rest of the apartment. The master features in-built storage and access to your west facing balcony. As for your bathroom, it's pristine with floor to ceiling tiling and an over-tub shower.

Outside you've got a thoughtfully landscaped communal garden.

And just a few minutes away, the ancient woodlands of Epping Forest await.

Despite all the rural village-y charm, Woodford has plenty of amenities... Be sure to visit Mojo's Brasserie, a lively brasserie style restaurant which serves up some excellent brunches.

If you want to head into central London, Woodford station is seven mins on foot for the convenient Central line.

WHAT ELSE?

-Drivers can be on the North Circular in just a few minutes, or the M25 in around 10 mins.

-Parents will be pleased to learn there's an abundance of great primary and secondary schools in the area - one of the reasons Woodford is so popular with families.

-How about a stroll towards Highams Park, stopping at the Rose & Crown pub for some tasty grub and a pint served up in a friendly atmosphere? It's 0.4 miles away.

A WORD FROM THE OWNER...

"I'm selling my much-loved two bedroom flat in Woodford Green... to move elsewhere in Woodford Green. The area has such a nice friendly feel - close enough to everything you need but still calm and peaceful. The flat is a convenient 7-minute walk from Woodford Station, where you can also find the fantastic Broadway Deli and what I honestly think is the best fish and chip shop around. It has been a lovely home for the past four years, and I'm sure the next person will enjoy living here as much as I have."
