This beautifully preserved and elegantly developed four bedroom, two bathroom family home is just a couple of steps from the greenery of Coronation Gardens and a short stroll from Leyton tube. There's also a basement and a beautiful, mature garden to the rear.

You have more than 1200 square feet to stretch out in here, with the possibility of further extensions still to come (STPP). Your large lounge and generous kitchen/diner are both fine hosting spaces, with a wealth of charming original features throughout.

With the landscaped greenery of Coronation Gardens literally on your doorstep, you'll forget you're in London. But with Leyton tube and the Central line just ten minutes away you're less than half an hour from the City, door to door.
