

5 Aberavon Road, London, E3 5AR

Price £1,100,000

A classic three bedroom East London terraced townhouse, arranged over three storeys with an expertly arranged open plan ground floor. The location's just as ideal, on a peaceful residential street just moments from Mile End tube station.

Arranged over three floors, artful touches are everywhere, from the vintage fireplaces scattered throughout to the exposed timber beam and brickwork in the charmingly extended kitchen/diner. There's also a secluded garden to the rear.

The wide open green and blue expanse of Mile End Park is right around the corner, full of facilities for children, adults and athletes alike. Mile End tube is just as close, for a choice of underground lines.
