A smart, sizeable and spacious three bedroom family home, with plenty of social space and a particularly polished kitchen/diner, plus potential for further development (STPP). All sat just off Leyton High Road and within easy reach of the tube.

You have both a 250 square foot through lounge and a twenty two foot deep kitchen/diner, so plenty of space for welcoming guests. Interior design may need some personalising here and there but, spacious and well placed, your fundamentals are strong.

All of E10's thriving range of amenities are within easy reach, from open green spaces and transport links, to cafes, bars and restaurants, including the popular destination of Francis Road, just a half mile on foot from your new front door.

YOUR NEW HOME

Step inside and your hallway stretches ahead, blonde hardwood running underfoot, statement wallpaper and original dado rails either side.

That vast though lounge is on your right, home to the high ceilings of the period, ornate original corning and more blonde hardwood flooring. An impressive timber mantel takes centre stage.
