A fantastic three bedroom apartment, in a modern brick built development on Leyton High Road. With close to 950 square foot of space ready to move straight into, it's a practical and delightful home in a spot that's hard to top.

As well as three bedrooms you'll find two bathrooms here, one an en suite. The icing on the cake is a covered balcony with glass balustrade, just right for coffee first thing or a nightcap after a long day. There's room to eat outside too on a balmy evening, with big sky views as a backdrop.
