- Recently renovated
- 3 double bedrooms
- 3 luxurious bathrooms
- Beautiful Victorian features

A beautifully renovated three bedroom bay fronted home, offered for sale with no onward chain and situated on the highly sought after Clare Street.

The property has undergone a complete program of improvements and now combines luxury, contemporary finishes, beautiful period features and efficient living. Spread over three floors the floorspace extends to over 1,300sqft.

On the ground floor, through the partially stained-glass front door, there is a spacious dual aspect living and dining room, complete with a feature fireplace, large bay window and bespoke shelving. Beyond the dining space is the kitchen which has been modernised with a range of contemporary units and integrated appliances, including a fridge freezer, washing machine, gas oven, electric hob and dishwasher. This space flows through to a charming garden room with stone flooring and direct access to the generous private rear garden.

On the first floor there are two large double bedrooms, each benefitting from luxuriously finished en suites. The bathroom to the second bedroom has great flexibility with jack and jill access, allowing it to be used as the family bathroom as well. Both bedrooms enjoy excellent natural light from large sash windows.

The second floor offers a further double bedroom with its own en suite and skylight, creating a bright and comfortable space. The flexible functionality of the layout means the property can be arranged to suit personal circumstances.

Externally, the rear garden is well proportioned and includes outdoor seating, all-weather lawn and pedestrian access to the street. To the front, there is a small garden area set behind a low level wall.

Clare Street has a classic Cambridge Victoria street scene, and links Victoria Road and St Lukes Street. There is residential parking on the street, and the River Cam is no more than 5 minutes walk away.
