# Danbury Street, N1

Islington, London

Introducing a stunning two-bedroom garden flat, occupying two levels of a beautiful Georgian building on one of Islington's most desirable streets. The well-designed layout centres around a bright living and kitchen area, ideal for both entertaining and everyday living. High ceilings, large sash windows, and original features add plenty of character, while the newly refurbished kitchen is fitted with integrated appliances and a generous quartz worktop—perfect for preparing your favourite meals.

Downstairs, both bedrooms are spacious and full of light, with fitted wardrobes in each. One opens onto a sizeable private patio terrace at the front, perfect for a peaceful morning coffee, while the other overlooks the beautifully maintained shared garden. A tastefully modernised bathroom adds the final touch.

With only one other flat in the building, the property enjoys direct access to a lovely shared garden—a rare find in such a central location. Danbury Street is a quiet location positioned in the heart of Angel, moments from Regent's Canal, vibrant Camden Passage and Upper Street's wonderful array of shops, restaurants, and cafes. The flat is only a short walk to Angel Underground (Zone 1, Northern Line), with fantastic city and international links.
