Situation

Colliers Farm occupies a private and secluded setting on the edge of the village of Fernhurst within the South Downs National Park. The village provides a number of local shops, a post office, church, primary school, doctors' surgery, village hall, and a highly regarded public house, The Red Lion. The picturesque village green creates the quintessential English setting. More comprehensive shopping facilities are available in the nearby towns of Haslemere, Midhurst, Petworth and Petersfield.

 Communications in the area are excellent, with London being approximately 48 miles away and with the A3 giving access to the south coast, the M25 and Gatwick, Heathrow and Southampton airports.

 Sporting facilities are superb, with racing at Goodwood and Fontwell, polo at Cowdray Park and sailing off the south coast at Chichester.

 For the arts, the Festival Theatre in Chichester together with the concert hall in Guildford are also within easy reach.

 Within the area there is an excellent range of preparatory and senior schools including Highfield and Brookham at Liphook, Churcher's and Bedales at Petersfield, Westbourne House at Chichester, Seaford College near Petworth, and Amesbury and St Edmund's at Hindhead. Other schools include Charterhouse at Godalming, King Edward's in Witley and Cranleigh School.

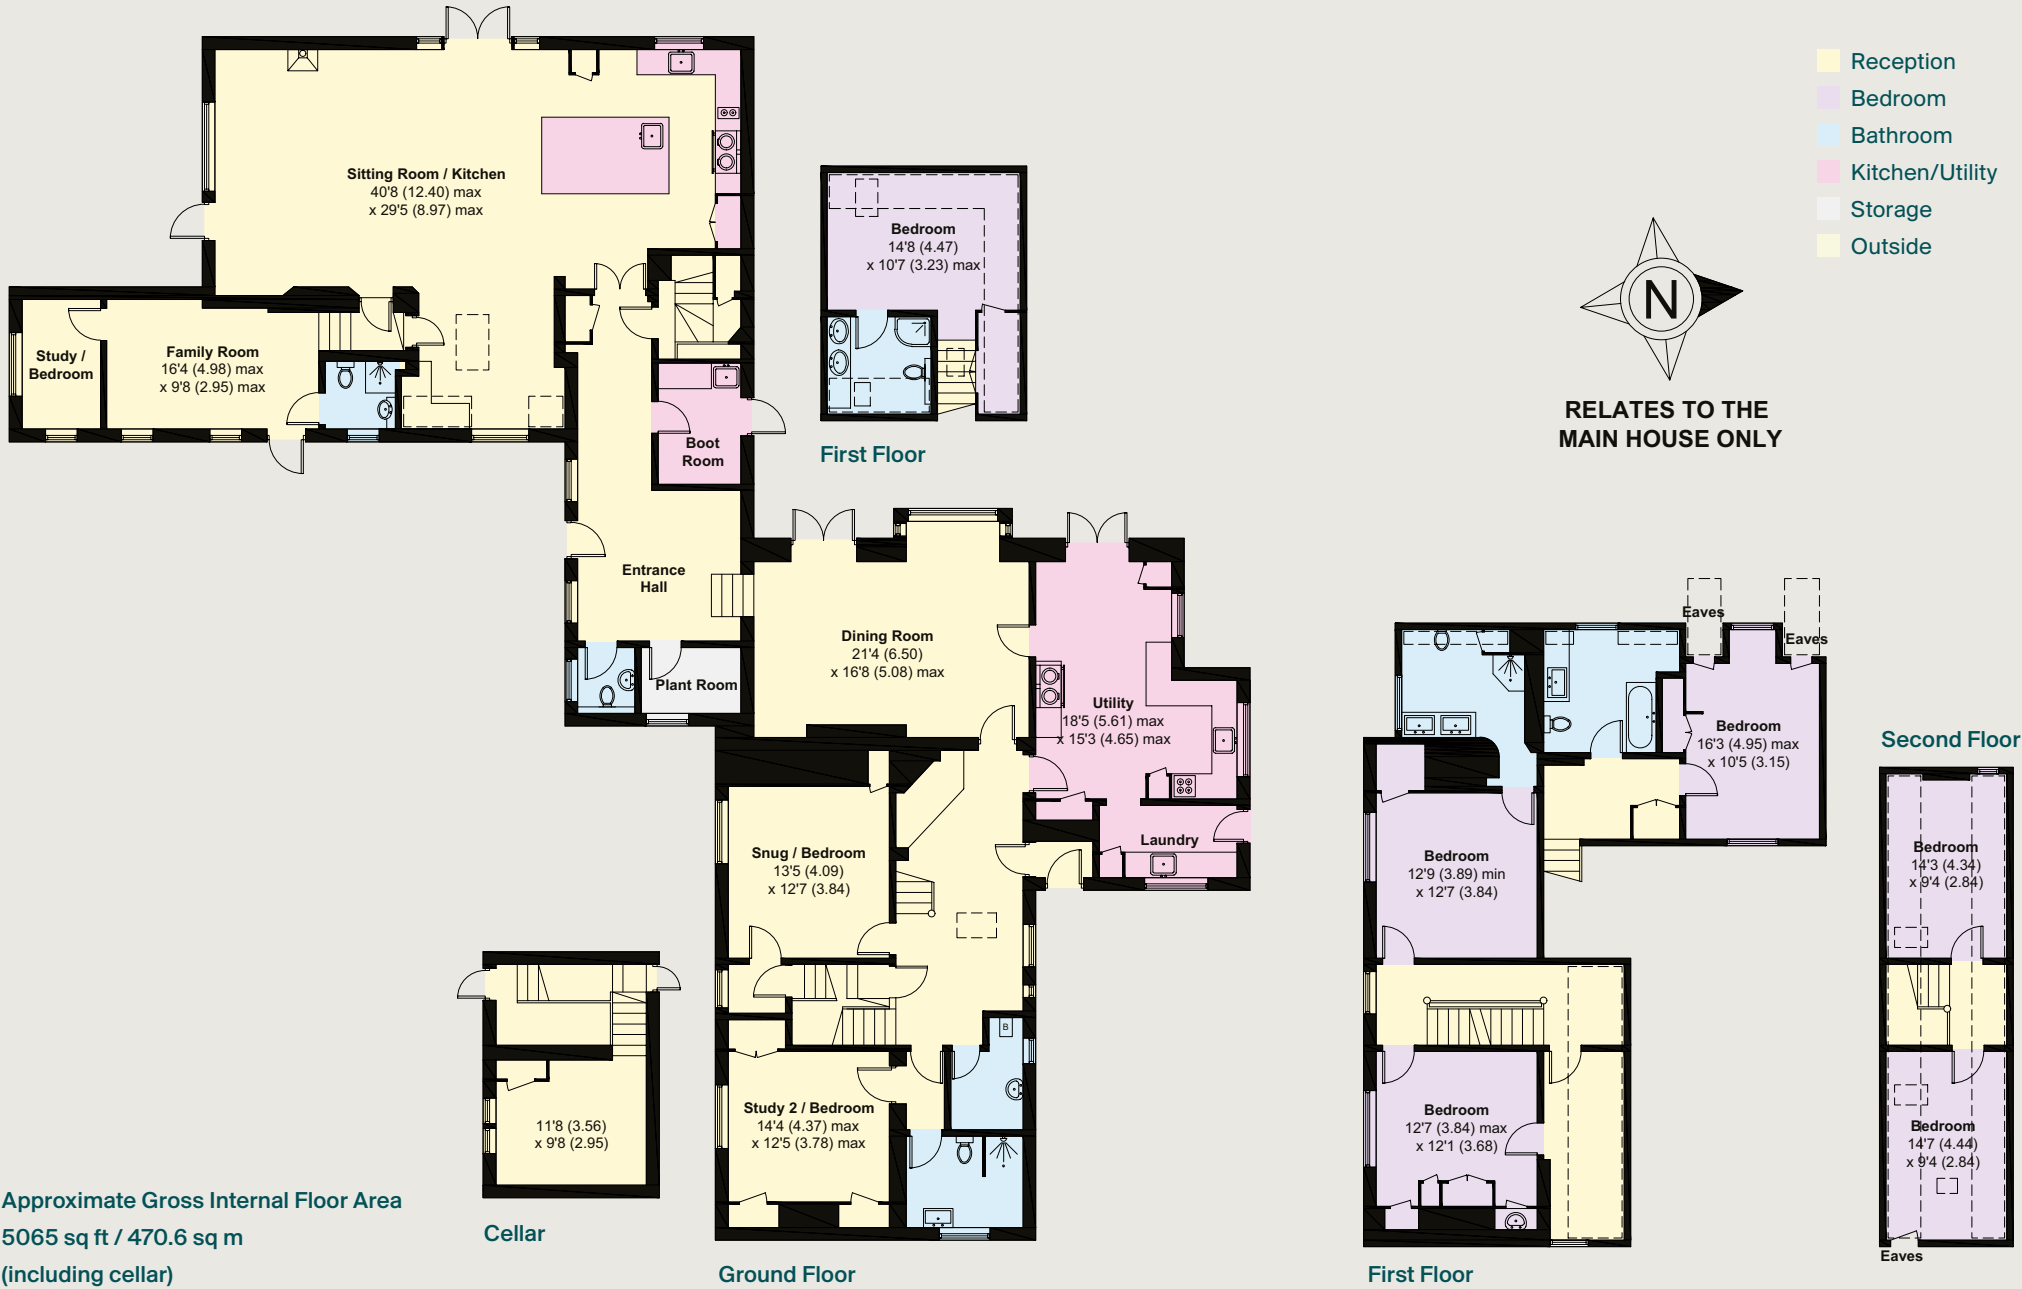

Colliers Farm

Colliers Farm is approached via a tree-lined driveway leading to the main farmhouse, a beautifully restored stone-built property combining traditional charm with modern design. The main house has been opened into the old barn adjoining to provide a wonderful through-flow of accommodation, perfect for modern family living.

A real highlight of the property is the kitchen/breakfast/sitting room housed in the old barn, featuring vaulted ceilings with period beams, stone and brickwork, with a four oven AGA at its heart.

Key to the property is the number of rooms in both the barn and the house. These provide for excellent flexibility of accommodation and would serve equally well for additional reception spaces or bedrooms to suit the needs of the incoming purchaser.

Cottages and Agricultural Barn

Outside, the three guest cottages provide ideal space for multi-generational living or a rental income if desired, each with their own garden and parking area. The modern agricultural barn provides excellent space for car and machinery storage and is currently also used as a substantial home office.

Gardens and Grounds

The grounds surrounding the house are mainly laid to lawn with established shrub borders, with terracing and lawns leading west away from the house towards the tennis court and pavilion. Beyond the formal gardens, a stretch of deciduous woodland blends seamlessly with the grounds, while several acres of pasture offer excellent grazing for livestock or horses.
