# 7 West Savile Road

NEWINGTON | EDINBURGH | EH16 5NG

7 West Savile Road is a wonderful family home situated on one of the most desirable streets in Edinburgh. This impressive, Victorian, mid-terraced house provides exceptional living space, with well-proportioned rooms and versatile accommodation. The property retains many original features including original ornate cornices and sash and case windows, and with a little up-grading would create a truly fantastic home. The property also benefits from an enclosed, south-facing rear garden and patio.

Ground Floor: Entrance vestibule with original terrazzo tiles; welcoming hall with storage cupboards; bright sitting room with a real flame gas fire under a marble mantel piece and bay window with views to the front of the property; dining kitchen with floor-standing and wall mounted units; bright and cheerful dining room with patio doors to the south facing rear garden; utility room with clothes pulley; guest WC.

First Floor: Generous principal bedroom with bay window; double bedroom 2; double bedroom 3; double bedroom 4 / study; shower room with a white three-piece suite comprising WC, wash hand basin and shower cubicle.

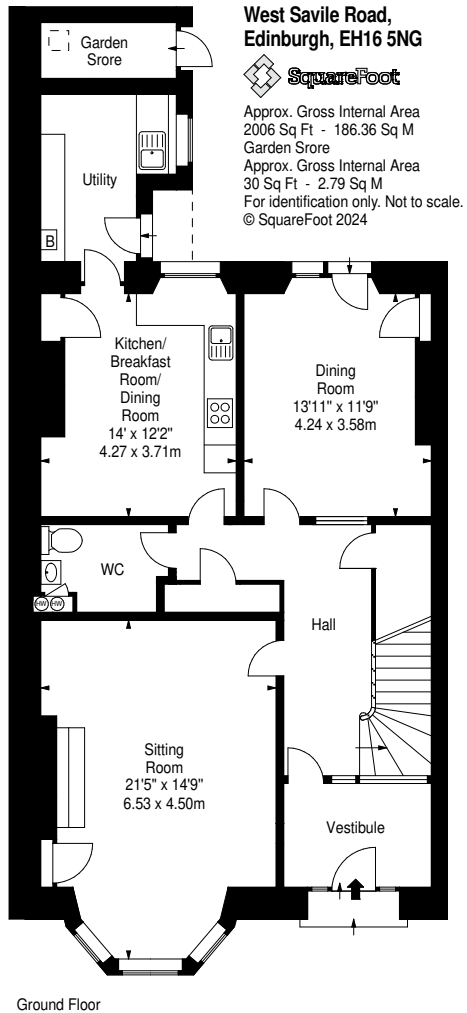

Immaculate front garden with lawn and mature borders, and flag stone path to the front door. Equally immaculate South facing rear garden with stone walls, mature borders and patio great for alfresco dining. Garden store.

All fixtures and fittings are included in the sale and whilst believed to be in reasonable working order are strictly "sold as seen". This is an executry sale, so no warranties will be given regarding white goods.

Please note: the stain glass panel between the hall and the dining room is of sentimental value and isn't included in the sale. The original glass panel is still there and will be left in place.

The Scottish Conveyancers Forum guidance indicates that is not appropriate for solicitors to be involved in checking compliance with the rules surrounding interlinked smoke alarms and heat detectors. No warranty is given that any such inter-linked system has been installed in this property.
