# Reservation Process

AT SCHOLARS PLACE

## Reserving your new Eccleston home

You've found your dream Eccleston home! So what happens next?

We sell our new homes in order of the route that we build them and plots are released for sale at various times to follow this route and ahead of them being built.

They are sold on a first come, first served basis and purchasers are required to exchange contracts within 6 weeks (42 days) with the appropriate 10% deposit. This usually means that you will need to be either a first time buyer, have your current property sold subject to contract, be a none dependant purchaser, or a cash purchaser.

### 1. Mortgage in Principle

In order to reserve your new home, you'll need a Mortgage in Principle, or Decision in Principle (DIP) from your mortgage provider. Based on basic info such as your income and outgoings, your lender will provide you with a certificate or statement that confirms 'in principle' the amount of money they will lend you.

If you need help sorting a Mortgage in Principle we have access to independent new homes mortgage specialists who are able to provide you with free advice on the range of new homes mortgages available. Please ask your Sales Consultant for further details.

### 2. Proof of identity

As you're undertaking a financial transaction with us, we'll need to see a copy of your passport (for non-UK citizens also a copy of a valid visa) plus proof of your address – this could be from a recent utility bill or driving license. Your Sales Consultant can provide you with a list of all acceptable forms of proof of address.

### 3. Reservation fee

We ask for £1000 reservation fee to secure your new home. The reservation fee forms part of the overall price of the property and is credited upon Legal Completion.

### 4. Reservation meeting

To secure your new Eccleston home, we will set up a reservation meeting. It gives us the opportunity to take you through your reservation paperwork, share the technical drawings and run through the finer details about your new home and the buying process. And of course, the most exciting bit, you can sign your formal reservation confirmation documents meaning your dream Eccleston home is off the market! Please allow at least an hour for this meeting, this gives you time to ask any questions you may have too.

Availability and terms and conditions apply.

If you have any questions about the reservation process please talk to your Sales Consultant.

## Builder Warranty Period

During this first 2 year period Eccleston Homes are responsible for rectifying any defects and you should report any faults to us directly, and in writing, so that we can try to resolve any issues as quickly as possible.

## NHBC 8 Year Structural Insurance Period

For the balance of the warranty, should you need to make a claim on your policy during this period, you will need to contact the claims team at the NHBC, who will assess your claim and help you in organising any necessary repair work.

## Customer Care Commitment

When you buy your Eccleston Home you can be confident that your new home has benefited from a wealth of building knowledge and experience. And, as members of the NHBC, the UK's leading home warranty and insurance provider, you'll benefit from their expertise too.

## Consumer Code

The Consumer Code for Home Builders is an industry led scheme which gives protection and rights to purchasers of new homes. As members you can be assured that you're going to be treated fairly and be fully informed about your purchase at every stage of the home-buying process – whether it's pre-contract, at exchange of contract or during occupation.

# Protecting your home

We understand that buying a new home is one of the biggest purchase decisions you'll ever make, which is why all Eccleston Homes come with a full 10 year NHBC (National House Builders Council) structural warranty.

Protected by the 10 year New Home Warranty, your new home is completely covered for any necessary structural repairs from the date of completion, with an independent surveyor team making the final checks on the new home before issuing what is called a 'Build Mark Cover Note' once they are happy that the property is ready to move into! So, while it is unlikely that you will ever have any problems, you have the peace of mind of knowing that help is at hand.

## Policy details

The policy is valid for 10 years and includes two key periods; the first two years of the policy called the '2 year Builder Warranty Period', and next 8 years known as the 'Structural Insurance Period'.
