Extensive Rear Garden

The vendor informs us that there are bricks marking an outline in the rear garden possibly of an old building. This could potentially be advantageous in seeking planning permission for a separate building in this area (we have not verified this information, and this would be subject to planning permission and building regulation approval).

Vendors Note

The vendor has informed us that the side access is owned by number 8, with a right of way for number 10 (we have not verified this information).
