VENDOR VIEWPOINT

My tucked away 'haven' of 4 Carleton Grange Stables, offers the best of both worlds - a quiet, semi-rural setting yet within walking distance, or a 5 minute drive, of Pontefract town centre. This is affordable living in the most sought-after postcode in the area - also, being down a private lane, there is no noisy passing traffic. With an impressive square footage of 1205.56, it

really does need to be seen to be fully appreciated.

The south Pontefract area is very well connected, with easy access to the A1 and M62, plus three train stations - from here it's possible to be in Doncaster, Wakefield, Leeds or York in less than 30 minutes.

The house itself is a stylish 3-bed semi, set up ideally for a couple, housemates or a small family. It has walk-in wardrobes and 2 bathrooms - to help busy mornings to run smoothly, plus a modern kitchen with separate 'lootility'. Downstairs is a cosy living room with a gas fire and built-in display / home office unit; and, with entertainment firmly in mind, a large lounge / dining room with patio doors opening into the fabulous garden. Upstairs there is also a balcony, opening off the landing, offering a bird's eye view of the colourful 'oasis' of a garden below.

Scarcely overlooked and very low maintenance, the extensive garden has a Mediterranean feel with bright colours, palm, olive and fruit trees. Ample seating is provided by stone walls separating the decking, pergola, patio, gravel and turf areas. The large garden is in two sections - the first for entertaining and the other ideal for greenhouses, an allotment or a garden room.

For any furry members of the family, there are many fantastic walks in the area which may even take you via a lovely pub or two!
