THE PROPERTY

Situated on the ever-popular Estcourt Road, this beautifully presented and sympathetically extended four-bedroom detached 1930s family home offers a wonderful blend of period charm and modern family living. With over 2,090 sq.ft of versatile accommodation, plus delightfully mature gardens, this home is ideal for growing families looking for space, character, and convenience.

A welcoming entrance hall leads to two elegant reception rooms, both featuring bay windows and period detailing to the front. The spacious living room enjoys a bright aspect and feature fireplace, whilst offering access to the sun room/second sitting room. The dining room provides a flexible family or formal space. To the rear, a generous kitchen and dining area overlook the rear garden, perfect for entertaining and family meals. There is also a separate home office ideal for remote working, a cloakroom/WC, and access to the large garage/workshop.

Upstairs, there are four well-proportioned double bedrooms, including a generous principal bedroom with views over the rear garden. The property also benefits from two modern bathrooms, one of which serves as a stylish family bathroom with both bath and shower facilities.

To the front, the property offers a well-maintained front garden and driveway parking. The rear garden is a particular highlight — beautifully landscaped with a large lawn, mature borders, established flower beds, and a lovely seating area perfect for summer dining. There’s also useful outbuilding storage and side access.

Estcourt Road is one of Gloucester’s most desirable residential addresses, ideally located for access to the city centre, train station, and excellent local schools. The nearby King’s School and Ribston Hall are both within easy reach, while the popular Barnwood Park and Gloucester Quays offer leisure and shopping amenities close by.
