THE PROPERTY

Tucked away on the edges of Churchdown Village, this three-bedroom home offers a rare blend of space, privacy, and untapped potential. Though it would benefit from modernisation, the bones of the property are strong, and its generous layout invites imagination and transformation.

Step inside to discover a welcoming hallway leading to a light-filled sitting room and a separate dining area—perfect for family gatherings or peaceful evenings in. The conservatory, drenched in daylight, opens onto a truly exceptional garden: expansive, well-established, and brimming with possibility. Whether you're dreaming of wildflower borders, vegetable beds, or a serene outdoor retreat, this garden is ready to inspire.

Upstairs, three well-proportioned bedrooms and a family bathroom offer flexibility for growing families, creative workspaces, or guest accommodation. Each room is a blank canvas, waiting for your personal touch.

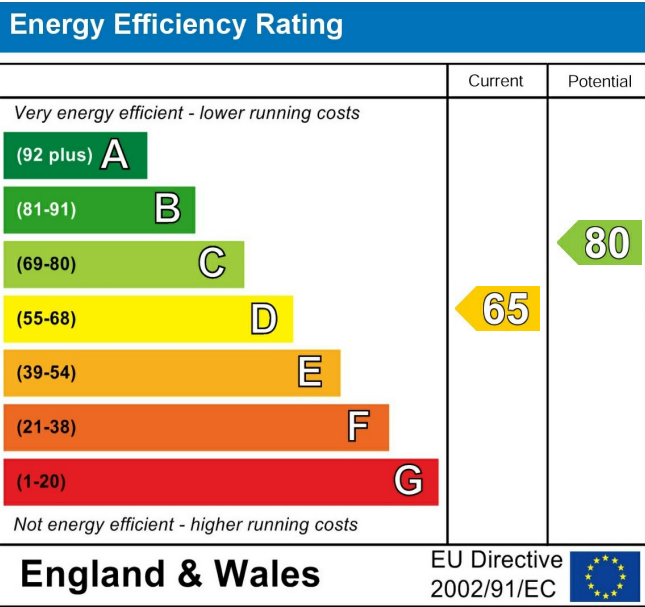

Outside, the detached garage provides ample storage or workshop potential, while off-road parking ensures convenience for daily life and visiting guests.
