THE SCHEME

INTRODUCTION

PANATTONI DONCASTER 420

By road, by rail, right by the airport.

Adjacent to Doncaster Sheffield Airport, Panattoni Doncaster 420 will offer 417,570 sq ft of Grade-A spec build space with direct access to local, regional and global markets.

In addition to its well established history at the forefront of manufacturing, South Yorkshire has forged a reputation as one of the UK's hottest distribution locations.

Record take up across Yorkshire in 2021 has resulted in the supply of units over 100,000 sq ft dipping to the lowest level ever seen. Offering 417,570 sq ft of high quality industrial logistics space, Panattoni Doncaster 420 will be one of the biggest single unit spec builds coming to market in Yorkshire.

Connecting the motorway network, air cargo, and multi-modal rail freight via iPort nearby, Panattoni Doncaster 420 offers unrivalled access to both consumer and industrial markets across the UK and the world.

Doncaster Sheffield Airport is one of the UK's fastest growing airports, expanding by 13% over the past five years. Handling over 1.7 million passengers and more than 100,000 tonnes of freight a year, DSA connects to 36 destinations in 15 countries.
