TUNGSTEN PARK WITNEY

A STRATEGIC LOCATION

Tungsten Park is located in an established commercial location on the Western side of Witney. It is easily accessible, being just 600 m from the A40 which connects with Oxford approximately 12 miles to the East and Cheltenham, approximately 27 miles to the West. The A40 in turn links to the M4, M40 and M5 motorways.

Witney town centre and its surrounds provide a host of amenities and housing options. Witney is home to a wide range of cross sector occupiers, including Certikin, Meech Static Eliminators, Venture Engineering, Abbot Laboratories and Chris Haytor Transport.

TERMS

The units are available to lease on new full repairing and insuring terms, details of which are available on application.

Terms are quoted exclusive of all other outgoings and VAT.

EPC RATING

All units have an EPC rating of A.
