Warehousing that Works.

High performance space for your business.

If you're looking for a high-performing, sustainable building that works as hard as you do, then look no further. L111 is an highly sustainable warehouse that will deliver benefits for your business, your people and the environment.

An ideal location

Indurent Park Lincoln provides flexible opportunities to the occupier market within the industrial and logistics sectors.

This is a unique opportunity for businesses to be located on the A46 dual carriageway, midway between Lincoln and Newark, giving excellent access to sea ports, airports and the national motorway network. The A1 is approximately 7 miles from Indurent Park Lincoln with access to the A1(M) via the A46.

In addition, Indurent Park Lincoln will benefit from the Central Government investment in infrastructure improvements to the Newark interchange/bypass and completion of the Lincoln bypass. Both projects will enhance speed of travel South-West down the A46 and North-East to the Humber Freeports.

1,180 sq m of rooftop solar panels included as standard which generates an approximate saving of £108,000 per annum if all the energy is used.

Smart LED lighting helping you reduce energy consumption by up to 75%.

15% roof lights reduce the need for additional daytime lighting and provide a light, bright environment for your employees.

BREEAM Excellent rating targeted placing this warehouse in the top 10% of warehouses in the UK for sustainability.

With an EPC A+ rating, customers can lower their energy bills, all whilst delivering net zero carbon offices.
