About the property

Have you ever dreamed of designing and building your own home? Well here is a fantastic opportunity to acquire a well-proportioned plot of land with planning permission in place for a detached dwelling. Lakeside Gardens presents an exceptional opportunity to turn that dream into reality, and with multiple funding opportunities around this could be more achievable than you think. Each plot has distinctive size and charm, and once complete, the development will welcome you home with a stone entrance and ornate wrought iron gates, ensuring your privacy and safety are paramount.

The plots are conveniently positioned for Lakeside Retail Park, offering a selection of shops and eateries for your enjoyment. The nearby West Monmouthshire Golf Club will provide golf fanatics a local tee to enjoy your recreational pastime. In addition to this, the beautiful views of the surrounding mountains, and the convenience of local schools provide families with a great backdrop to your future home.

Self-Build Wales Scheme

If you are interested in building your home it has never been easier to do so.

The Self Build Wales scheme, established by the Welsh Government, aims to remove the barriers and uncertainty that prevent people in Wales from building their own homes.

If you wish to find and use land outside of the current Self Build Wales map, you can access the scheme to fund both the land purchase (75%) and build costs (100%), providing the land already has suitable planning permission for development. The 25% deposit for the land purchase must come from your own resources.
