Welcome to The Old Cattle Market

Here at Eaton Homes, we strive to provide the best in modern house building, and pride ourselves in impeccable customer service. In total, 84 units comprise a mix of two, three, four and five bedroom houses, as well as some one bedroom apartments. There is lots of green space, including an outdoor playing area for use by residents and family members. We are of the view that homes are much more than a roof with fixtures and fittings, the immediate surroundings, space, views and layout are all part of what we think makes the difference between a house and a home
