About Us

Based in the heart of Cheshire, Eaton Homes is the vision of craftsman David Thompson, with the aim of creating bespoke housing developments in and around the villages of Central and South Cheshire. We strive to provide the best in modern house building, and pride ourselves in impeccable customer service. In total, 84 units comprise a mix of two, three, four and five bedroom houses, as well as some one bedroom apartments. There is lots of green space, including an outdoor playing area for use by residents and family members. We are of the view that homes are much more than a roof with fixtures and fittings, the immediate surroundings, space, views and layout are all part of what we think makes the difference between a house and a home.

Locally, the close by village of Bunbury is a small, rural picturesque village that offers a range of local amenities with a convenience store, butcher, three pub/restaurants and a beautiful Church which dates back over 1000 years. There is also a cricket club, bowls club, tennis club and Medical Centre. Of particular note is Bunbury Primary School which enjoys a reputation for academic excellence. The Primary School also acts as a feeder into Tarporley High School which can be found 3 miles away. The award-winning village of Tarporley, is renowned for its Historic High Street which is located approximately 12 miles from Chester and offers a range of amenities including fashion boutiques, art galleries, DIY, florists, butcher, hairdressers, chemist, hospital, petrol station and other general stores. There is also a range of pleasant restaurants and public houses, which complete the thriving village. There is easy access to the surrounding villages, motorway and railway networks, which give access to the north and south of the UK.
