We are delighted to welcome to the market this impressive, Grade II Listed, family home. Formerly the West Wing within Urpeth Hall, a grand period property with an abundance of history. Dating back to the mid-18th century, the original hall served as a prisoner of war camp and was used as a searchlight station by the US Skylighters battalion, owned and occupied over the years by many well-known and influential local historical figures.

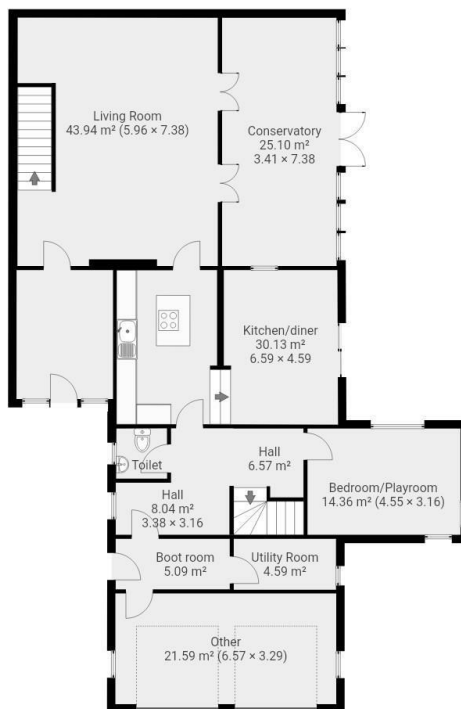

The property is briefly comprising a master entrance leading into the living room, whilst a second entrance leads directly into the boot room with access to the garage and main house. To the ground floor there is a large stepped kitchen/diner, living room, second reception room/sixth bedroom, utility, downstairs WC and double garage. To the first floor there is a large family bathroom and four double bedrooms, including one with master en-suite. Up a third staircase and the master bedroom boasts a large dressing room, double bedroom and en-suite shower room.

Externally the property has large mature gardens and gated access to the driveway for ample parking spaces.

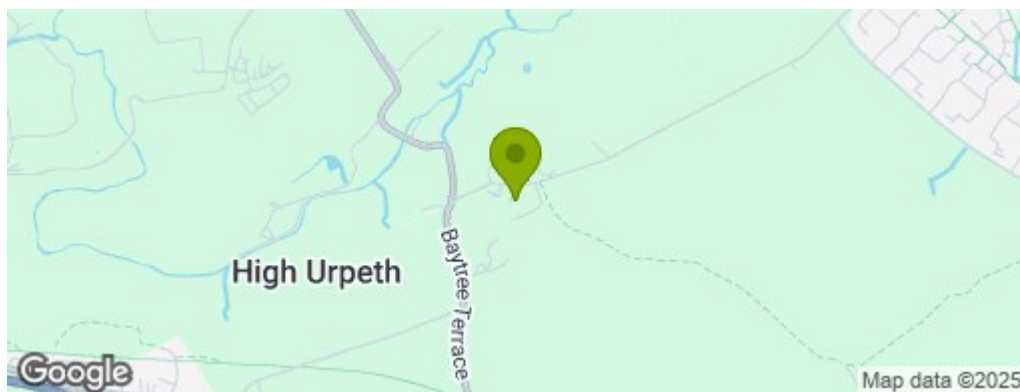

NOTE: this property is a connected associate of the company.
