# Barway Road

Barway,  
CB7 5UA

- Modern Detached Home (Constructed 2020)
- Built to 'Passivhaus' Standard with A Rated EPC
- 5 Double Bedrooms (Master with Ensuite)
- Open Plan Ground Floor with Dining Room & Spacious Kitchen / Living Area
- Separate Snug & Utility Space on Ground Floor
- Close to 1/4 of an Acre Plot (STS) with Gardens, Driveway & Double Garage
- High Specification Features Including 11kW of Solar Panels, Thermal batteries, MVHR System, Underfloor Heating & Triple Glazing
- Freehold / Council Tax Band F / EPC Rating A

A unique opportunity to purchase a modern 5-bedroom detached property built to 'Passivhaus' standard with an A rated EPC. The property was built by the current owners, featuring light enhancing and open plan living spaces. This contemporary home benefits from greatly reduced energy bills compared to a standard property, generating more power than it consumes within an annual basis.

Accommodation on the ground floor, comprises of a double height entrance hall with WC, separate snug and utility with the remainder being a spacious open plan dining area flowing through into a kitchen/living room. On the first floor there are 5 double bedrooms, master having an ensuite with attractive view towards Ely Cathedral, whilst there is also the family bathroom.

The property is situated on a plot of approximately 1/4 of an acre (sts) with an extensive driveway, double fully insulated garage and lawned gardens to front and rear.

To fully appreciate the numerous features of this stunning family home, a viewing is highly recommended.

**Offers In Excess Of £695,000**

## LOCATION

Barway is a hamlet situated approximately 3 miles south of the city of Ely. Ely is an historic Cathedral City which provides an excellent range of shopping facilities, schools catering for all ages and various sporting and social activities including the recently opened Ely Leisure Village incorporating sports centre, swimming pool, multi-screen cinema and restaurants. The main A10 road at Ely provides access to Cambridge which in turn links with the A14 and M11 motorway to London. Ely also has a mainline station which provides an electrified rail service to Cambridge and London.

## ENTRANCE HALL

With feature floor-to-ceiling window flooding light through to the dining area and beyond, carpeted front entrance, under floor heating.

## CLOAKROOM

With low level WC and wash basin with storage cupboards beneath, window to front aspect, storage cupboard housing the Mechanical Ventilation with Heat Recovery (MHRV) system and the solar panels inverters, under floor heating.

## SNUG

With window to side aspect, under floor heating.

## OPEN PLAN LIVING AREA

### DINING ROOM

With window to front aspect, under floor heating, stairs with glazed panels, cupboard with under floor heating & water controls.

## KITCHEN / LIVING AREA

both sides of the property leading to the rear garden which is mainly laid to lawn, together with mature trees and an extended area of paved patio, decking and raised planters.

## AGENTS NOTES

For more information on this property please refer to the Material Information Brochure on our website.

As previously mentioned, the property was constructed by the current owners to a 'Passivhaus' standard with eco features reflecting an EPC energy rating of A at 116. Unlike a traditional house, there are no radiators in the property, fully benefitting from the insulation, and key eco features including triple glazing, Mechanical Ventilation with Heat Recovery (MVHR) system designed to provide fresh filtered air into the property whilst maintaining a consistent comfortable temperature, solar panel system capable of generating 11kW of electric, surpassing the requirement to run the property, thermal storage batteries, under floor heating & combined temperature control and humidifying, air cooling and heating in the open plan kitchen/living area. The property also has a Myenergi Zappi EV charger with Tethered installed & connected directly to the solar panel system benefiting electric car owners.
