WELCOME HOME

A lot may have changed since the day that John Bloor built the first Bloor home in 1969, but one thing has remained the same. Our dedication to providing beautifully crafted homes in fantastic locations, so you and your family can enjoy life to the fullest.

We're still owned by the Bloor family, and today, that same dedication is clearly present throughout our careful consideration of the development layout, and each home we've chosen to build here at Winslow Park.

We understand that buying a new home is a big commitment, so we want your Bloor home here in Winslow to be ready to accompany you throughout your life – no questions asked. That's why it's important each one of our homes appreciates your need for space and growth.

Plus, when you reserve your new Bloor home in the early stages of construction, you can have the freedom to choose your internal fixtures and fittings for your kitchen, bathroom and en suite facilities. Our comprehensive 'Your Choice' brochure can help with choosing those extra details for your new home, should you wish to upgrade from our chosen specification here at WinslowPark.

'For us with Bloor Homes, moving home was painless and really, quite enjoyable. We've got the location, with a modern house. The Sales Advisor was so helpful, I missed her once we'd moved in.

Our home demonstration by the Site Manager, was fantastic, he showed us around and everything was to such a high standard, it was perfect.

Amy,

'The customer service has been amazing since day one. They've been open and honest since we started this process, which has given us that peace of mind.

The choices that you have is endless really. And it's nice that you have the opportunity to make it your own.

Going from 'you can't have that' to buying your own house and doing what you want with it. I'm a chef and the kitchen is amazing.

Without the support from Bloor, I don't think we could have bought our first home.'

Lauren & Dan,
Bloor Homes @ Acton - Acton,

'I remember the day we got our keys. It made our dreams come true. Bloor concentrate on quality, instead of quantity.

We aren't just moving our house, we're moving our family, our future, our life. We have two daughters and a grandson, so we have to have rooms for our family and friends when they want to visit us.

We're really pleased we chose Bloor, just like us, you don't need to worry when you buy Bloor.'
