Grade II listed Norfolk Reed thatched cottage, finished to a high specification, featuring a sitting room with inglenook fireplace, separate living room, bespoke fitted kitchen, utility room, southerly facing mature gardens, brick-built outbuilding, ample car parking, located in a sought-after village.

An exceptional Grade II listed character cottage, significantly improved by the current owners, showcasing a high standard of finish throughout, blending contemporary and character features. Priory Cottage is beautifully presented with deceptively spacious and versatile accommodation, sympathetically extended over the years. This wonderful example of a Grade II listed building features bespoke Oak framed double glazed windows throughout. The sitting room boasts an inglenook fireplace with a log burning stove set in a brick surround, many exposed ceiling and wall timbers, and is spacious and light with four windows. An opening from the sitting room leads to the living room, which has patio doors opening onto the gardens.

The kitchen breakfast room is fitted with an extensive range of wall and base units in a light finish, complemented by light-colored Quartz work surfaces, a Belfast sink and dining area. It includes a Rangemaster-style cooker with a gas hob and extractor above. Adjacent to the kitchen is a sizeable utility room with bespoke hand-built cupboards.

A staircase from the sitting room leads to a good-sized landing area. The spacious master bedroom has dual aspect views over the rear gardens. Both the guest bedroom and the third bedroom are doubles. The spacious and stylish family bathroom features a corner bath and separate shower cubicle. The private, southerly-facing gardens are mature and beautifully maintained, with an open aspect and views across open land. There is secure ample parking behind electric wooden gates.
