## HIGH PROFILE SITE

i54 South Staffordshire is a joint partnership between Staffordshire County Council, City of Wolverhampton Council and South Staffordshire Council.

A 300 acre, high profile site with an international reputation which has been attractively landscaped to include footpaths and cycle routes to create an outstanding working environment.

Over 2.5 million sq ft of new buildings have been built to date with some 2,700 people employed across the current businesses.

## STRATEGIC LOCATION

i54 South Staffordshire is strategic site in the centre of the UK, adjacent to the M54 motorway with its own dedicated access to Junction 2. Excellent access is therefore afforded to the national motorway network via the M6, M6 Toll and A449.

The M6 Toll provides reliable alternative access to the east and also to rail freight

terminals in the region. There are also proposals to provide a link between the M54, M6 and M6 Toll.

Birmingham Airport (25 miles) and Manchester Airport (58 miles) provide International access.

## MORE i54

Following on from the huge success to date, the next exciting phase has commenced with a further extension of 60 acres to the west of the existing development available for Advanced Manufacturing, Technology, Training, Innovation and other related uses.

- Land available for purpose built development
- For Sale or To Let
- Large power supply up to 14MVA

## MOVING FORWARD

- Construction work started on access road and site clearance June 2019.
- Completion of access road February 2020. Platforming works to the site will commence immediately thereafter.
- Delivery of serviced plots March 2021

Junction 2 M54  
West Midlands
