We are delighted to bring to the market this BEAUTIFULLY presented four/five-bedroom terraced house located in the SOUGHT AFTER village location of Langton Matravers, Dorset. An initial front courtyard is laid to hard standing and is fully enclosed. It has an Easterly facing aspect, perfect for enjoying the sunshine with a morning coffee.

A modern fitted composite front door provides access into the property.

Enter into a spacious dining room, offering ample room for a table and chairs. A secondary door then leads into a study/bedroom FIVE, a recent single-storey extension to the building under permitted development rights. Also on

the ground floor is a family bathroom, comprising panelled bath, low-level W.C. and pedestal wash hand basin.

The kitchen is well proportioned and offers a range of wall and base level units. There is ample space for kitchen appliances. Completing the ground floor accommodation is the living room, with feature French doors offering a westerly facing aspect, allowing for plenty of natural light. This is the perfect entertaining space and offers a pleasant outlook onto the rear garden.

The first floor has the luxury of having three sizeable double bedrooms, with each benefiting from large, double-glazed windows. Bedrooms TWO and FOUR offer an attractive outlook onto the rear garden and countryside beyond. Bedroom Two is a spacious double with an Easterly facing aspect. Also on the first floor is a modern fitted shower room, comprising a shower cubicle, W.C. and wash hand basin.

Stairs then ascend to the second floor which leads to a feature sized main bedroom (bedroom ONE). The bedroom is both light and spacious and a large Velux window offers a tremendous countryside view. There is also ample eaves storage.

Externally, to the rear, is a large decking area, perfect for family barbecues in the sunshine. The remainder of the garden is predominantly laid to lawn and there is a pleasant countryside outlook in the distance. At the foot of the garden is a large and practical storage shed.

The property has been very well maintained throughout and would make for a perfect family home due to its efficient number of rooms and sizeable accommodation.
