3D Virtual Tour Available!

Welcome to Walrond Road, a collection of traditional Edwardian and Victorian homes within easy striking distance of the award-winning Swanage seafront. Situated on a desirable corner of Walrond Road is this substantial and extensive detached property with eight beautifully designed double bedrooms. Originally constructed in 1927, this home offers a sense of tranquillity and grandeur with many traditional features lovingly aligned with modern taste. Step through to the front porch and shut the world away as you are led into the inviting entrance hall. The eye is immediately drawn to the beautifully calm décor, bringing a sense of peace and being at home. Firstly, you are drawn to the study, which is currently used as a guest bedroom. This room is bright and accommodating, and would have originally been used as a guest reception area. There is space for a double bed and wardrobe as well as a stunning bay window with pleasant outlook over the front garden.

The ensuite comprises a shower cubicle, W.C., and wash basin.

Opposite the study is the dining room, a beautifully light and fresh space with enough room for large family gatherings or guest dining, with another wonderful bay window encouraging plenty of sunlight to spill in as you enjoy your morning coffee or a tipple with friends. Next along the hallway is the sitting room, thoughtfully designed to accommodate a large corner sofa in the bay window, with a log burner for cosy evenings, further adding to the homely appeal.

Adjacent to the sitting room is a convenient cloak room with shower cubicle, W.C., and wash basin as the hallway leads into the kitchen/diner. This is an exceptionally stylish area, fitted within the last 5 years with quartz work tops and integral appliances such as a dishwasher and wine cooler. The outlook over the orchard garden is idyllic and creates a sense of privacy and seclusion from the busy seaside town. From the kitchen there is a handy utility room with space and plumbing for a washing machine and dishwasher, an inset sink, space for a large American fridge/freezer, worksurface and storage options as well as a further porch area for side access to the garden.

From the hallway there are stairs leading to the first floor landing, where you are drawn to the first of four bedrooms on this floor. Each bedroom has an exquisite bay window, each with glorious panoramic views over the town. All four bedrooms on this floor have an ensuite shower room, ideal for guests to use and makes for an easy source of income as a B&B.

At the top floor of the house is the family accommodation, with all three double bedrooms being serviced by a large family bathroom with jacuzzi bath and Velux window for more stunning views over the town towards the sea. Due to the situation of the corner plot, the property enjoys superb views again for each top-floor bedroom window.

Outside, the Southerly-facing wrap-around garden is the property's very own orchard with multiple established pear and apple trees. The rest of the garden is laid to lawn and bordered by mature hedges and shrubs, with space for garden furniture, ideal for alfresco dining on warm evenings. The front garden is laid to lawn with plenty of space for further seating to enjoy the sunshine from all sides of the house. Adjacent to the garden is parking area and personal gate serving as a separate entrance, allowing easy access for kayaks and surfboards.

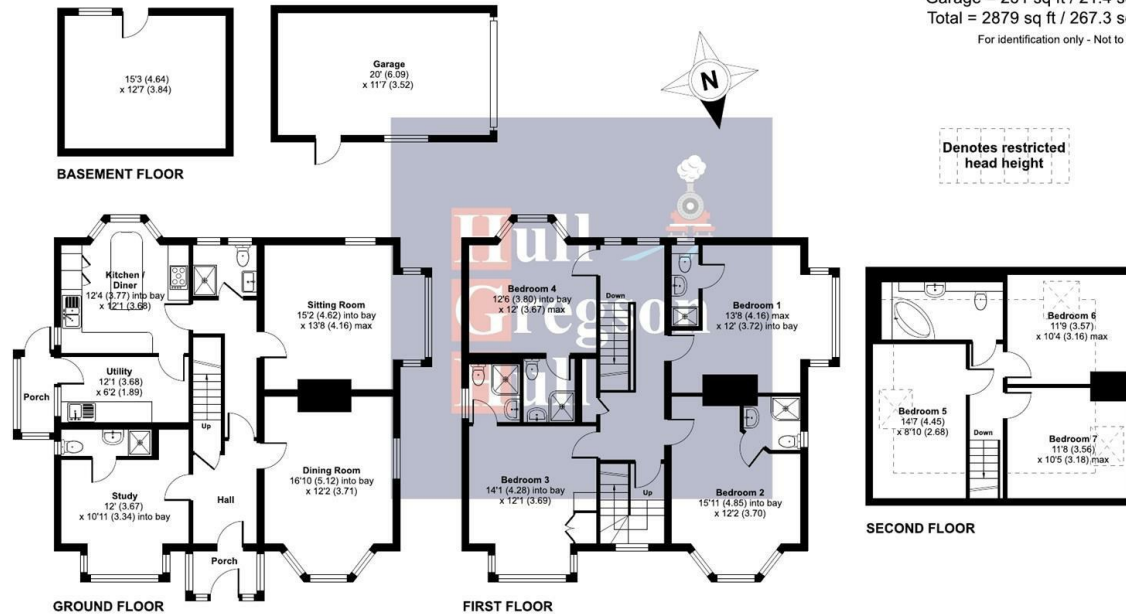

There are two driveways with ample parking, and access to the garage as well as another access point into the garden.

Walrond Road, Swanage, BH19
