An opportunity to acquire an **IMPRESSIVE DETACHED RESIDENCE** with **SWIMMING POOL** located in a **SOUGHT-AFTER CUL-DE-SAC** in North Swanage. This beautifully arranged house is sheltered beneath the Purbeck Hills and has a far-reaching and remarkable outlook to countryside and the sea. Built with local Purbeck Stone, the property was constructed by the owners in 2012 to provide exceptionally spacious accommodation including a **STUNNING, OPEN-PLAN KITCHEN/DINING/LIVING AREA**, a second **RECEPTION ROOM**, **FOUR BEDROOMS**, two with bathrooms en suite, and many additional features.

Enter into this welcoming property through a wide hallway with porcelain tiled flooring flowing through to the expansive kitchen/dining room with five bi-fold doors opening onto a paved terrace and sun deck.

The kitchen has been thoughtfully designed with a sleek range of modern Maia worktops, gloss base and wall cupboards with eye-level oven, fridge and freezer and a large island concealing integral appliances including induction hob, Franke hot water tap and inset sink. A dining area with feature atrium style skylight sits alongside the kitchen and a study or office is concealed in one corner; a utility room to one side of the kitchen provides space for a laundry area separate to the main kitchen and a door opens onto a path giving access along the side of the house.

Return to the Hallway enter through double doors to find a comfortably large family Sitting Room with a bright, southerly outlook over the town through dual aspect windows.

The Hallway has the benefit of a downstairs Cloakroom with WC, and an oak, glazed staircase rises and turns to the first floor landing. The southerly facing Main Bedroom presents a vista across Swanage Bay to the Isle of Wight and Durlston Bay. This tranquil room benefits from a stylish range of wall-length fitted wardrobes and drawers with ample space for free-standing bedroom furniture.

The contemporary Bathroom en suite comprises both bath and separate shower cubicle, washbasin and WC.

Bedroom Two with beautiful countryside views also includes a bathroom en suite, whilst bedrooms Three and Four are well appointed with wall-length fitted wardrobes. The family bathroom sits adjacent to both of these rooms.

To the rear of the property a heated Swimming Pool and Sun Deck, both private and unoverlooked, provide the perfect place to relax and unwind whilst enjoying the tranquility and the most astonishing vista of the countryside and sea beyond. The expansive landscaped gardens descend gently to a large lawned play area below.

To the front of the property, a large garage with electric up-and-over door integral to the main house is approached over a paved driveway offering parking for multiple vehicles. An electric car charging port has been installed.

In all, this deceptively spacious home offers the most desirable features and an opportunity to immerse yourself in a beautiful and peaceful environment.

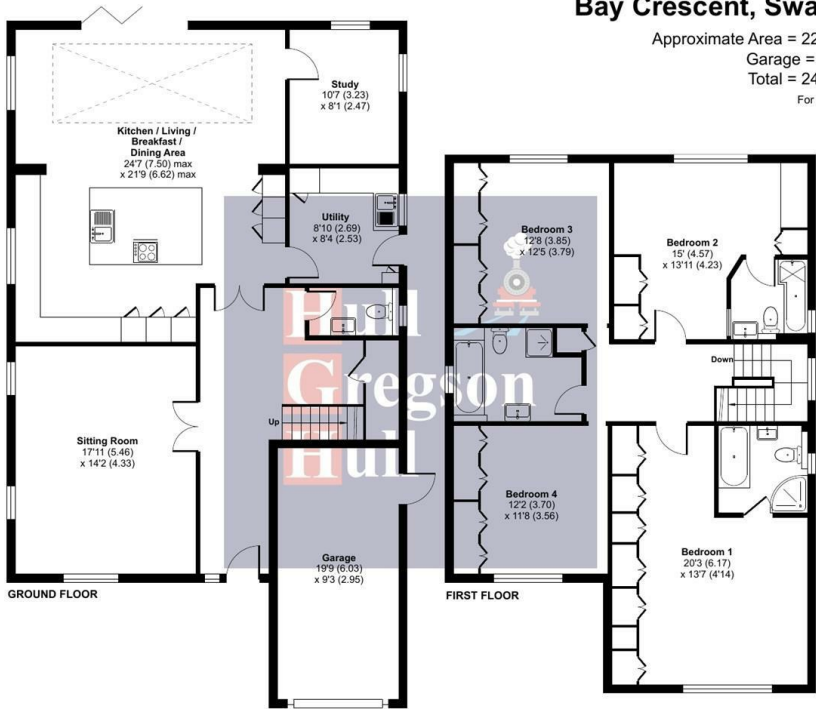

Swanage is a well-loved seaside town boasting a history of stone quarrying resulting in a strong link with London via the trade in Purbeck stone and London goods returning to the area particularly in Victorian times. Today, a thriving tourist hotspot with Steam Railway and Victorian Pier.
