Herringbone timber flooring compliments the room and an open fire provides a charming focal point. A door from here leads to the dining room which enjoys a window looking onto the rear garden. A door opens to the kitchen providing an ideal working space linked to the dining room, perfect for family living and entertaining alike. The kitchen has been recently refitted with a modern yet sympathetic approach. Solid wooden floors line the room whilst contrasting units offer superb storage and working space above. At the rear a small lobby leads us outside to the attractive family bathroom. Climbing the stairs to the first floor the landing area enjoys a window over the stairs which further enhances this light airy home. Set to the rear we find two smaller double bedrooms overlooking the gardens whilst to the front the generous master bedroom enjoys a view over the garden and onto this charming street. A large over stairs cupboard offers excellent storage. This completes the accommodation.
