Property

Stepping through the front door of this family home we are welcomed by the entrance lobby where our stairs rise to the first floor and the feeling of space and light that flow throughout is instantly apparent. The entrance lobby flows open-plan into the 'hub' of this home where we find a vast open plan kitchen/dining/family room. Windows to both the front and rear aspect fill the room with natural light. The kitchen is fitted at the rear of the space boasting a range of fitted units offering superb working space above. A large central island provides space for informal dining whilst the room opens to offer an exceptional dining/living area perfect for entertaining and family living alike. A door to the rear opens to the garden whilst we pass a handy under stairs cupboard and enter the sitting room. Again enjoying a dual aspect this spacious sitting room enjoys French doors that lead onto the patio. Climbing the stairs to the first floor landing doors open to all of the rooms. To the left we find the first two double bedrooms the larger of which is set to the front and boasts fitted wardrobes. At the head of the stairs the recently re-fitted bathroom offers a 'P' shaped bath with shower above whilst the w/c integrates a wash basin above. Attractive tiled walls complement the room. Completing the accommodation the master bedroom mirrors the size of the sitting room below and again is filled with natural light from windows to two aspects. Fitted wardrobes again compliment the room.

Outside

To the front of the property we find the off road parking space at road level whilst steps pass the boundary wall and lead down into the front courtyard garden area where we find the front door. A path to the side of the house leads us to the rear gardens. At the rear a door from the kitchen and french doors from the sitting room open to the gardens where the superb space makes the most of the afternoon and evening sun. A raised area of patio steps down onto the garden which is, in the main, laid to lawn with various trees and shrubs in situ. Timber fencing frames the boundary and two sheds are found at the foot of the space. The garden offers a superb blank canvas for a budding gardener or the ideal recreational/play space for a family.
