### Property

Entering the property via the front door we are welcomed by a generous hall way that leads to the inner lobby/study area, doors from these spaces lead to all of the main rooms. The property is particularly well appointed with the living and bedroom areas being set at opposite ends of the bungalow. From the entrance hall we step to the right into the sitting room, a generous room that is filled with natural light from three windows, the bay window being full height provides a superb view to enjoy the front gardens and enhances the feature open fire place that is set into the bay. French doors open from here to the dining room allowing the two rooms to be enjoyed separately or opened up when entertaining. The dining room is again a well proportioned room that provides ample space for a 6 seater dining table and enjoys a dual aspect that fills the room with natural light. Heading back through hall we pass a handy storage cupboard and separate airing cupboard before stepping into the kitchen. The kitchen provides an excellent working space which is fitted with a range of painted timber wall and base units with work surfaces over, space is made for a cooker and a serving hatch opens to the dining room. A double bowl sink sits below the window which overlooks the rear garden whilst a door leads us to the utility room. The utility room gives home to the gas boiler and space is made for a washing machine and dishwasher below the counter where we find a stainless steel sink. A door leads from here to the rear garden. Heading back through the hall we step into a generous inner lobby that provides an excellent space for a study/library area. From here doors lead to both bedrooms and the family bathroom. The bathroom is fitted with a three piece suite comprising of a bath, wash basin and w/c. To the rear of the property we find the guest bedroom that benefits from built in wardrobes and enjoys an en suite shower room that offers a shower, wash basin and w/c. Completing the accommodation is the impressive master bedroom which, measuring at 19 feet 8 inches was originally designed to be two separate rooms, this could easily be achieved should a purchaser require. Two windows overlook the front gardens and again we benefit from built in wardrobes.

## Outside

The property occupies a central position within its generous private plot. The frontage is approached by a large driveway that provides an ample parking and turning area whilst giving access to the double garage. A path leads to the front door and gated access leads us to the rear. The front garden is immaculately landscaped providing a mix of attractive lawned areas surrounded by flowering beds filled with established plants and shrubs. The front boundary is formed by mature trees and bushes adding to the privacy of the outside space. The rear garden enjoys an extensive patio area that leads to the personal door to the garage and a storage area behind, the patio steps down to a further lawned area whilst the entire rear garden is enclosed by timber fences. The double garage enjoys power and light and has been extended on one side to allow parking a large vehicle if needed.
