### Property

Pushing open the original front door we step under the decorative fan light window into the entrance hall of this charming family home. Doors open to both reception rooms whilst stairs rise to the first floor with a door below that opens to the full height brick lined cellar. To our left we step into the sitting room where the sash window fills this generous room with natural light. An open fire offers a cosy focal point to this generous space. A linking door opens to the kitchen dining room. Stepping across the hall we enter the family/ formal dining room which mirrors the sitting room and flows open plan into the additional space currently a small library. The two rooms provide the perfect space for modern family life and entertaining alike. From the library area a door leads to the rear lobby which in turn opens to the rear garden and utility at the rear whilst a door returns to the kitchen. The kitchen offers a superb space for the family to come together and informal dining. The kitchen is fitted with a range of wall and base units set over an attractive tiled floor. Wooden effect work tops provide fantastic workspace whilst provision is made for the cooker, dish washer, fridge and freezer. There is also a delightful walk in larder area, currently used as a small office space. The sink is set below a large window which enjoys a view of the garden. Returning to the entrance hall we climb the stairs to the first floor landing where we find access to our first two large double bedrooms. These superb rooms mirror the size of the reception rooms below and both enjoy large sash windows looking onto the roof top views over Upper Olland Street. Feature fireplaces in each room offer a charming focal point whilst the slightly smaller room enjoys the added benefit of a walk in closet. At the rear doors from both rooms lead to a lobby area which passes the airing cupboard and leads to the first of the bathrooms. This exceptional space is fitted with a large shower, bath, wash basin and w/c whilst a fireplace again adds a charming element to the room. Back on the landing a door opens to the second staircase which rises to the upper floor landing. Doors at either side of the landing open to the bedrooms whilst at the head of the stairs a door leads into the shower room. The two bedrooms again offer superb space with the smaller enjoying a far reaching view of the Waveney Valley. The larger is substantial and boasts a different perspective looking the length of Upper Olland Street. This completes the accommodation.
