Property

As you enter the property, a spacious hallway with stairs to the first floor greets you. To your immediate left, there's a storage cupboard perfect for coats and shoes, and a cloakroom is conveniently located to your right. The second door on your left leads you into a sizable sitting room featuring a cosy fireplace as a focal point and built-in wall shelving for excellent storage. French doors in this room open directly into the rear garden. Additionally, double doors connect to a separate dining room, which also offers views of the rear garden and provides ample space for a large table and chairs and a single door leads back into the hall. From here the kitchen/breakfast room can be accessed. This room features country-style wall and base units, offering ample worktop space. It includes a large butler sink perfectly positioned beneath a window that overlooks the garden. There's a four-ring gas hob with an oven below, and dedicated space is available for a dishwasher. Additionally, the room is spacious enough to comfortably accommodate a table and chairs. Leading off from the kitchen is a convenient utility room, which offers direct access to the rear of the property through an external door. This room includes additional cupboards, worktop space, a double sink, and under-unit space for further appliances. Completing the ground-floor accommodation is a study that looks out to the front aspect. On the first floor a spacious landing connects the four double bedrooms and the family bathroom. The master bedroom is a very generously sized double room with a window to the rear and an ensuite shower room. The other three bedrooms are also doubles; the largest of these is located at the front of the property, while the remaining two are situated at both the front and the rear. The family bathroom is fully tiled and features a white suite, including a panelled bath with a shower overhead, a toilet, and a hand wash basin.

Outside

To the front, there is a neatly kept lawned area bordered by a selection of bushes, with a paved pathway leading up to the front door and continuing around each side of the property. On the right-hand side, the property and garden are bordered by a brick wall with large bushes behind, offering privacy for the garden. This area leads to the off road parking and double garage, which has “up and over” doors and an internal door leading directly into the garden. The garages and driveways for the property are accessed from High Bungay Road. The rear garden is generously sized, enclosed by brick walls and high timber fencing for privacy. French doors from the sitting room open onto a small patio area, perfect for a table and chairs. Pathways extend around the rear of the property and lead to the garage. The garden itself is primarily laid to lawn, complemented by attractive bordering plant beds.
