Property

The property is in excellent condition and would appeal to a wide range of buyers. The entrance hall provides a warm welcome and leads to all ground floor rooms, including a convenient cloakroom and storage cupboard. Stairs to the first floor are also accessible from the hall. The sitting room is a bright and spacious room, featuring a brick fireplace as its focal point and a large window overlooking the front of the property. The kitchen provides ample wall and base units, complemented by generous marble-effect worktop space. It includes an integrated electric oven and an electric hob with an extractor fan over. There is also a one-and-a-half bowl stainless steel sink situated under a window overlooking the rear garden, with space provided for a washing machine. A door from the kitchen leads into the utility room, which offers additional space for appliances and provides access to the rear garden. The dining room offers ample space for a dining table and chairs. This bright space is also suitable for various other uses. It features French doors that open directly onto the rear garden. On the first floor a master bedroom positioned at the front of the property benefits from two double fitted wardrobes with sliding doors and a contemporary ensuite shower room. The ensuite includes a shower cubicle, a wash basin set within a cabinet unit, a WC, and a heated towel rail. Additionally, there are two more double bedrooms located at the rear of the property. The spacious family bathroom, which completes the upstairs accommodation, comprises a bath with a fitted rain shower, a hand wash basin and WC combination unit and a heated towel rail. The refurbishment of the property included a new roof and extra insulation, completely new kitchen, bathrooms and ground floor WC, some replacement windows and new flooring. This included hard wearing luxury oak effect plank flooring downstairs and carpets upstairs, with luxury vinyl floors in the bathrooms. Some radiators were replaced, notably with heated towel rails in the bathrooms. The back patio doors and the gas boiler were replaced in recent years, in addition to the 2021 refurbishment.

Outside

The property is approached by a shared gravel driveway leading round the front of the property and up to the single detached garage to the rear of the property. At the front of the property there is a small lawn area with a flower bed and climbers on the front wall and a small paved path leads to the front door and continues round to a small gate giving access to the rear garden. At the rear we find a spacious, well-maintained, and fully enclosed garden, primarily laid to lawn. French doors from the dining room open directly onto the patio area, providing an ideal spot for outdoor dining and entertaining.
