From here, a door leads into the dining room, which features French doors opening directly onto the garden. The kitchen, accessible from the dining room, boasts a contemporary design with a range of wall and base units complemented by contrasting wood-effect work surfaces. It includes designated space for a cooker beneath an extractor fan, an inset ceramic sink positioned below a window overlooking the garden, and under-counter spaces for a washing machine and fridge. In the hall, the stairs lead to the first floor landing. Straight ahead, you will find the bathroom, which has been finished to the same high standard found throughout the home. This modern suite offers a bath with a shower over and a folding screen, a low-level WC, a ceramic sink set within a vanity unit, and a heated towel rail. To the front of the property, you will find the impressive master bedroom and a good-sized single room, both with views of the front aspect.

The front of the house features an attractive lawned garden, complemented by a rockery with small shrubs and seasonal flowers. A small flower bed with a planter sits under the front window of the property. A path leads to the front door, and a gate provides access to the rear garden. To the side of the property, an extensive driveway with parking for two cars leads to a detached garage, which includes an up-and-over door, power, and lighting. The two-tiered rear garden is well-proportioned and fully enclosed by timber fencing, mature trees, and bushes. French doors from the dining room open onto a pathway that leads around the house. From this area, steps ascend to a patio, which is ideal for outdoor dining and entertaining. A wooden garden shed with a workbench, power and light is also in place for storage.
