DUNAS BEACH RESORT

SAL, CAPE VERDE

We are delighted to bring this lovely 2 bed apartment on to the market, in the heart of Melia Dunas.

Ideally located on the ground floor with garden views to the front and a short walking distance to both the pool and the beach. The stand out advantage of this apartment is that it is privately owned and not in the rental program so if you are looking for a bolthole for yourself and friends & family, this could be the answer! Built around 12 years ago Dunas Beach Resort has long been a favorite with holiday makers, primarily for its position on the stunning Algodoeiro Beach. The vibrant town of Santa Maria is a 5 minute taxi ride away and the international airport can be reached in around 20 minutes. This apartment consists of a fitted litchen with modern appliances, two double bedrooms, two bathrooms and a large living/dining room with patio doors leading onto the front terrace with expansive gardens in front of you and no close apartments overlooking you. The property has been well maintained over the last decade and is ready for the new owner to enjoy. Long term lets and private owner usage (friends and family) are permitted in this apartment.
