At the far end of Star and Garter Road set high above road level but with the benefit of a large detached single garage at road level.

195 Star & Garter Road has been in the same ownership for very many years and has been much loved, well maintained and considerably improved in that period by the present owners.

Despite the traditional appearance of the property the ground floor accommodation offers an extensive open plan living area together with a small conservatory whilst upstairs all three bedrooms are of a very practical size and the third bedroom is much larger than many to be found in properties of this era and in this price range.

Heating is from a gas combi boiler, hot water heating is augmented by solar panels on the roof and the windows throughout are UPVC double glazed units.

This house has a delightful paved patio at the front which faces South/South West and for which there are far reaching views whilst to the rear there is a terraced garden, well stocked beds and a useful timber shed.

See our online virtual tour and for more information call or e-mail us.
