A large and unique detached house in a premium Lightwood location!

This heavily extended property offers so much in terms of accommodation and style that it simply needs to be seen to be truly appreciated. The present owners have loved and maintained the property for many years and it is with a heavy heart that it is now available for sale.

Ground floor accommodation features two sizeable reception rooms, a kitchen-diner with an open archway into a stunning conservatory, a WC and even a home bar, which is a versatile space which could certainly become a home office amongst other potential uses.

The first floor provides four comfortable bedrooms and the family bathroom. The master bedroom is extremely impressive thanks to it's particularly large size, coupled with a separate wardrobe area and spacious en-suite!

The rear garden offers a well equipped barbecue area as well as manageable lawns and a discreetly positioned timber shed for storage. At the front of the property is a block paved driveway for off road parking and a garage area for storage with an electric door. Solar panels are fitted to the roof space and are owned outright, which last year provided the sellers with a rebate.
