THREE BEDROOMS AND A THREE CAR DRIVE!

An unusual and impressive family-sized semi-detached house thanks to the fact that it has much more off-road parking space than usual and three bedrooms of a really practical size!

This house has been occupied by the same family since 1956 but since then it has been much improved and updated including re-roofing rewiring and a gas combi boiler. There is also UPVC double glazing and in addition to a pretty front garden there's a low-maintenance fully enclosed garden to the rear with a summer house and garden shed.

The house features a separate lounge and dining room, well fitted kitchen and also a separate utility room.

Field place is in a popular location conveniently close to local schools and the capital Town Centre.
