- A Grade 2 Listed Minton Cottage
- Three Bedrooms
- Delightful Rear Garden
- Two Parking Spaces
- Period Style Bathroom
- Two Reception Rooms
- Charming Cottage Style Kitchen
- Gas Combi Boiler & Secondary Double Glazing

A grade two listed Minton cottage with three bedrooms!

This house is grade two listed and was designed by renowned architect Sir Gilbert Scott in the gothic revival style.

During the last 20 years it has been sympathetically maintained by the present owners and offers outstanding accommodation with many period features and with the benefit of a long and interesting rear garden as well as two car parking spaces at the front.

The location of the cottage is ideal for access to neighbourhood shops, Stoke Town Centre, the mainline railway station in Stoke and to the A50 and M6.

We understand that the house has been re-roofed, that the chimney has been re-pointed, that it has been electrically rewired and the kitchen has been refitted to include integrated units. The bathroom is a particular feature of the property with period style fittings including a roll top bath and in addition to three first floor bedrooms there are two well proportioned reception rooms on the ground floor which are approached from a Minton tiled hallway.

The loft has been fully boarded and is a most useful storage area/man cave, heating is from a Baxi gas combi boiler and the house features frameless secondary glazing throughout. Please note also that there is a most useful garden shed approximately 16 feet by 8 feet of concrete sectional construction.

This is a truly unique property presented to an extremely high standard. See our online virtual tour and for more information call or e-mail us.
