Lovingly updated by the current owners, the home blends modern touches with practical living spaces. Upon entering through the front door and entrance hall, you'll find the first reception room to your right. Currently used as a bedroom, this versatile space can easily function as a dining room or main lounge.

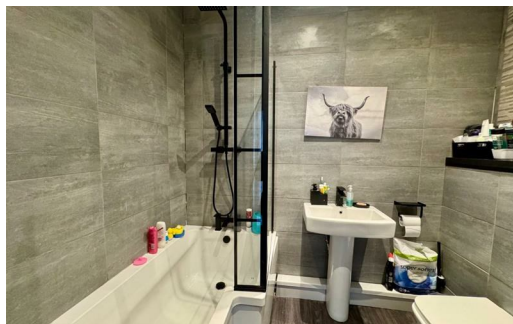

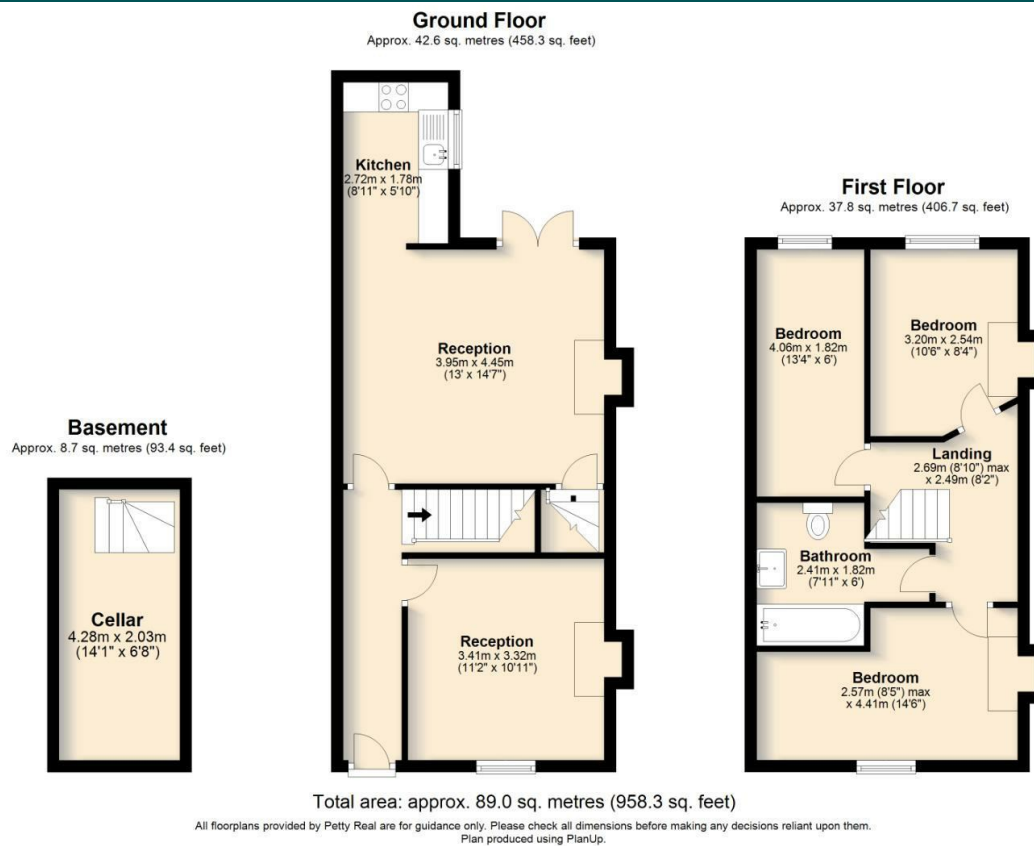

The second reception room is situated to the rear and provides another flexible area, ideal for a living room or formal dining area, flowing naturally into the modern kitchen. The kitchen has been fully upgraded and features ample worktop space along the rear and right-hand walls, with a sink overlooking the rear yard.

Upstairs, the main bedroom spans the front of the property and offers generous space for a large bed and furnishings. Also at the front is the family bathroom—stylishly updated with a modern three-piece suite including a WC, sink, and shower over the bath.

To the rear of the first floor are two additional bedrooms, perfect for children, guests, or a home office. The property also boasts a dry, useable cellar currently set up as an office/gaming area—an excellent bonus space.

Externally, there are yard areas to both the front and rear, and the house is nicely set back from Accrington Road, offering added privacy.
